OLLID Oiler Bucket Lid Instructions

REED OLLID fits REED, RIDGID® and other popular models

APPLIES TO: 06153

Note the Handle Clearance spots that fit over the handles on the REED Double Deep™ oil bucket.

Instructions:

1. Place the lid on the bucket. Be sure to align the handle clearance areas over the handles.
2. Align the latch clearance areas over the strainer latches.
3. Push the lid down firmly onto the bucket and latch into place.

NOTE: There are also clearance areas to fit Ridgid's oil bucket.

RIDGID® is a registered trademark of Ridgid, Inc. and is not associated with Reed Manufacturing.
